

Mr Injector Service Form

Package your injectors and send them in with this form. The pintle pins are breakable so if any of the plastic caps are broken wrap some tape around the tip to protect it. USPS has a flat rate envelope at a discount rate. Be sure to wrap the injectors in bubble wrap or paper.

Send them to:

Mr Injector
6280 N Government Way #4
Dalton Gardens, Idaho 83815

I authorize you to perform the service requested and bill my credit card or invoice me through PayPal. I assume responsibility for any loss or damage done during shipping to or from Mr Injector that is not covered by any optional shipping insurance that I purchase. **Note: We don't service direct (GDI) injectors or diesel injectors**

Authorization Signature _____ Date _____

Name _____	Address _____
City _____	State _____
Zip _____	email _____
Phone _____	Cell _____
Make _____	Model _____
Year _____	Engine _____

Reason For Service Maintenance New Engine Problems

Notes: If you answered problems describe the problem

Total Number of Injectors enclosed _____ X \$17.50 per injector = _____

USPS Priority Shipping \$7.50 Note: If you desire overnight or second day shipping you will need to supply your own shipping return UPS or FedEx label. We do not ship internationally except for military FPO or APO addresses

Add Shipping Insurance Insurance Fee's _____ Desired Amount of Coverage _____

Instructions for shipping insurance: Add \$1.75 for each \$100.00 of coverage you would like. The USPS requires a signature with insured shipping so be sure you can be available when your package arrives. We will not pay for any loss or damage for packages in the care of USPS so purchase some insurance if you have a hard to replace set of injectors.
